WEST DORSET WESTERN AREA TRANSPORT ACTION GROUP

YOUR LOCAL BUS ROUTES

X51/X53

Operated by First Hampshire and Dorset. (Also referred to as First Wessex). X51 operates from Dorchester to Axminster via Bridport and Lyme Regis. X53 operates from Weymouth to Axminster via Abbotsbury, West Bay, Bridport and Lyme Regis.

6/6A/6B

Operated by First Hampshire & Dorset and Buses of Somerset, Mondays to Fridays only.

These buses operate from Bridport to Beaminster, Crewkerne and Yeovil. See page 3.

CB3

Operated by Beaminster Town Council, on Saturdays only, connecting Beaminster with Bridport and Crewkerne. Currently suspended due to COVID-19.

7

Operated on behalf of Bridport Town Council, on Wednesdays and Saturdays, as the 'Bridport Town Circular'. Currently suspended, due to resume 07 October

9A

Operated by Stagecoach South West, this links Lyme Regis with Exeter via Axmouth, Seaton and Sidmouth

71

Operated by Damory, on behalf of Lyme Regis Town Council, Mondays - Fridays, as the 'Lyme Regis Town Service'. See page 4.

Dorset Community Transport

PlusBus service provides transport for people who are unable to easily access public transport: young or old and including those with mobility difficulties and offers a weekday trip from neighbouring villages to local destination towns, arriving approximately 10am and departing approximately 1pm. See page 2.

ALL CHANGE

Bus services post lockdown

As life continues to return to some semblance of normality, the 'new normal' has inevitably impacted our local bus and rail services.

Route 6 from Bridport to Beaminster and Yeovil has been particularly challenging, with the local incumbent First Wessex announcing in February that they would no longer be able to operate the service. Then COVID-19 lockdowns changed everything.

With government funding being available a revised Route 6 has been announced by Dorset Council, while bus routes X51 and X53 will have a Sunday service through to December at least.

+ + AXMINSTER TRAIN CONNECTION RESTORED + +
 Thanks to lobbying by WATAG and others, we are delighted to advise that the connection to the 0737 train from Axminster to Exeter has been restored. On Mondays to Fridays, the X51 now leaves Bridport West St at 06.37, Bridport Bus Station at 06.43 and Lyme Regis at 07.10, arriving Axminster Station at 07.32.

WATAG NEWS

WHAT IS WATAG?

WATAG (West Dorset Western Area Transport Action Group) was established by Dorset County Council in June 2001. The WATAG membership provides a forum for people with transport interests from Dorset Council, the Dorset Association of Parish and Town Councils, rail, bus and road transporters and other concerned groups and citizens. A meeting is held (usually in Bridport) once every two months, currently suspended while COVID-19 restrictions are in place. Please contact us on watag@hotmail.co.uk or visit our website: www.watag.org.uk

Delay Repay

Delay Repay is a rail ticket refund scheme operated by local rail companies when services are cancelled and delayed and not everyone is aware of its existence.

It is not always announced during periods of disruption but can go some way towards mitigating disruption to your journey.

Each rail company (in Dorset we are served by Great Western Railway, South Western Railway and Cross Country Trains) operates their own system but the principles are the same.

Most readers will use South Western Railway services from Axminster and Dorchester South, and their scheme provides compensation when a delay exceeds 15 minutes.

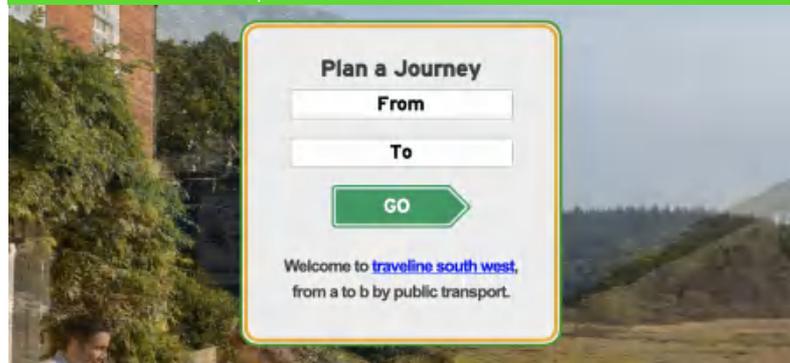

There is a sliding scale of refunds from 25% to 100% depending on the length of delay. (Based on a single ticket). You can upload a picture of your ticket online, along with your journey details. Refunds can be via your bank account, payment card or in the form of railway vouchers.

Full details are here: <https://bit.ly/3gJhnAg>

JOURNEY PLANNING

It can be daunting planning a journey that may utilise several different transport operators and methods of travel. Traveline South West was set up by local authorities, is updated weekly, and provides real-time bus and train information as well as an enhanced journey planner.

CYCLING & WALKING IN WEST DORSET

You don't have to drive! Encouraging people to make use of alternative modes of transport is an obvious goal, especially given Dorset Council's declaration of a climate emergency.

Dorset Council have an interactive cycle map on their website, here: <https://bit.ly/2ZccRVr>.

Maps are available for Lyme Regis, Bridport and surrounding towns and villages.

The West Dorset Pedal is a leaflet showing various suggestions for days out and can be downloaded here:

Dorset Community Transport (DCT)

Dorset Community Transport is a charity offering PLUSBUS: providing transport for people who are unable to easily access public transport: young or old and including those with mobility difficulties.

To use PlusBus, simply register your details with DCT initially and then pre-book your seat whenever you wish to join the bus.

Where possible, we can offer a "door-to-door" service and can also accommodate passengers travelling in wheelchairs.

Journeys are still operating during this time to assist isolated residents to make essential journeys.

ROUTE 6 NEWS

The route between Bridport/ Beaminster and Yeovil has a long and troubled history, (full details can be found on the WATAG website) with bus operators changing, frequent timetable changes - which served to undermine the service - and eventually First Wessex announcing their exit from the route entirely. COVID-19 has changed everything, with new funding now available. A new service started on 07 September, jointly operated by Buses of Somerset and First Wessex and funded by Dorset Council, whilst there are still gaps in the timetable, we believe it is a huge improvement to the pre- Covid 19 timetable that had been imposed in April 2019, with improved frequencies between Beaminster and Bridport as well as the reintroduction of direct services to Yeovil. The current timetable is shown below.

Bridport - Beaminster - Crewkerne - Yeovil 6, 6A, 6B

via Bradpole - Melplash - Broadwindsor - West Coker

also showing service 6A between Salwayash, Bridport and Beaminster School and service 6B between Bridport and Crewkerne and connection to Yeovil on service 96A

WATAG NEWS

LYME, GREEN

Encouraging more people to use buses is an important part of dealing with the ongoing climate emergency, and the goal must be to enable people to get out (safely) and about while leaving their cars at home. The town service in Lyme Regis is operated by Damory Buses and Lyme Regis Town Council, and is a great way for residents to get around town.

Funding has been secured for the town service for another year.
